Editor's letter

Given that I have to write this letter to you a good few weeks before the magazine is printed and on the shelves, I'm always trying to guess what might have happened between now and, erm, then. This time round I'm pretty confident of a few things – 1) the whole Euro crisis will have been sorted, with Greece's economy back on a sure footing; 2) people will have got heartily sick of having a dig at bankers just because they like to trouser a bit of bonus money on top of their extremely reasonable salary packages, and 3) hardly anyone will bother to read this because they're far more interested in getting to the girls. Am I right?! Thought so!

Michelle Thorne's
Spunk Mail

What's been keeping Michelle busy this month – apart from all that frantic sex she likes to have…?

Dear Michelle,

I had to drop you a line to say a huge thank you for running the pictures of Charley in your latest issue (77.02). She's everything I think a British glamour model should be – busty, beautiful… and bare! That picture of her on page 16 sums it all up perfectly – wonderful boobs on full display, legs wide open, and the sort of naughty smile that makes it clear that she knows just what she's after! I only wish I could be the one giving it to her! Please, let's see more of Charley in the rest of 2012!

Martin, Stevenage.

Michelle says: You're not the only one who wants to see more of Charley – I've already asked the Ed if we can get her back. She's just my type!

CHARLEY'S BONNIE PRINTS!

Dear Michelle,

I've been buying *Men Only* on and off for nearly 20 years now, and every month you manage to do something that makes you love you even more. This time round I've been lusting over the incredible Shyla Stylez, as well as Victoria and Charley – three crackers from the top drawer who've got exactly what it takes to make this reader a very happy man! I can't wait to check out Sophie in the next issue – those breasts of hers look simply amazing!

Gavin, Bradford.

Michele says: Well, now you can check Sophie's boobs out to your heart's content! Not bad, are they?!

Dear Michelle,

One of my best friends from work, Fran, has recently announced that she is getting married to the love of her life. I have worked with her now for six years and she has always been a pretty quiet and shy person and whilst always an active member of any work outing, she would never really do anything to draw herself out from the crowd. So it was with the minimum of fuss that we celebrated her news when a few of us from the office headed into town last Friday night.

After a few glasses of wine the mood loosened and as usual the conversation amongst the girls turned sexual – and as usual Fran drifted towards the back, avoiding the conversation. At the end of the evening the girls all headed home and Fran and I headed back to mine, where she was staying.

The cork came out of another bottle and for the first time, Fran's tongue began to loosen. Despite being 24, it seemed her silence stemmed from an almost total lack of experience, which, she confessed, leaves her embarrassed when pushed on the subject. Whilst she confessed to having slept with a couple of guys, including her spouse to be, it was clear that she had done little else.

Eventually having plucked up the courage with the help of another glass of wine, she confessed that she had never given or received oral sex in her life and she started to quiz me on the various techniques and methods. We both giggled as I used the neck of the wine bottle to display my techniques, before describing to her the pleasures of a good tonguing. Whilst I talked dirty to Fran, I could see her wriggling in the chair, and could sense she was as horny as me. With the help of a night's worth of alcohol, my mind began to hatch a plan. I had never tasted fanny before, but Fran was a very pretty girl and if there was a time to break the duck, then this was most definitely it.

I moved across the room and knelt before her. She looked at me quizzically, but I fixed my eyes on hers.

"I'll show you if you like," I said, my heart pounding. I moved closer to her and put my hands on her knees. I started to pretend to lick her out and each time, I moved closer and closer to her, pushing her skirt up above her knees as I homed in. I kept eye contact with her, expecting her to leap up at any moment, but I think she still thought I was mucking about and just watched me. I reached her candy pink panties and breathed heavily onto her crotch, hoping my breath would penetrate the

Sophie

Photos: **Stephen Hicks**

Fans of home-grown honies might be forgiven for having overlooked the wondrously-breasted Sophie Dee, because it's been in the States that she really made a name for herself, as one of the gamest cock-jockies on the hardcore scene. But here's the thing; those wonderful curves were born and bred in Llanelli, where Sophie grew up (and out) before a brief dalliance with page 3 and the life-changing decision to head to porn valley and make her way into the scruff business – a very happy decision for professional cocksmen, but the sort of tragic loss for Welsh manhood that should have them all frantically kicking themselves as hard as they like to kick funny shaped balls round a muddy field. Still, at least she's good enough to remember the old country and put in an appearance in *Men Only*!

Men Only TOY OF THE MONTH

HAND SOLO VIBRATING MALE MASSAGER
Lovehoney.co.uk
£24.99

Let's face it, we've all had plenty of 'hand solo' sex in our lives, haven't we? As they say, sex is like a game of bridge because if you've got a good hand, you don't need to worry about your partner. Still, much as well all love our trusty right (or left!) hands, perhaps Madame Palm and her five daughters could use a bit of an upgrade from time to time – which is where the Hand Solo comes in!

It's a sort of silicone taco shell that you slip over your fingers and then grasp your old chap through, with the vibe control at the top within easy reach of your thumb. You can, of course, vary the stroke rate and the tightness of your grip, and (assuming you've used plenty of lube), you should be all set for the wank of a lifetime!

Available in both black and blue, the whole thing's totally waterproof, so if you're in the shower or bath this'll come in handy too – not to mention be handy to come in!

fabric. I heard her moan and she wriggled towards me, closing her eyes as she did so. I took this as permission and slipped my finger under her panties and pulled them gently to one side, exposing her moist, pink lips.

I moved in closer and ran my tongue along the length of her slit. I heard her swear under her breath and she wriggled even more, giving me total access to her gorgeous fanny. My tongue flicked her lips and, as she got wetter, I got my first taste of pussy. Warming to the occasion, she ran her fingers through my hair, encouraging me to continue, so I gently took her swelling lips into my mouth and sucked on them. She was panting quickly and I could sense she was close to orgasm. I continued to lap and lick her musky fanny, but at the point of orgasm she grabbed my hair and pulled me free, her body quivering, her lips moist and shiny.

> "I moved in closer and ran my tongue along the length of her slit. I heard her swear under her breath…"

I pulled away, but knew she was on the edge and when her grip relaxed, I headed again for her minge but my demonstration was cut tantalisingly short when the front door slammed and Stewart, my boyfriend wandered in from a night at the pub with his mates. I leaped back onto the chair as Fran straightened her skirt and once my heart stopped pounding, my mind settled on a slightly different plan to satisfy a clearly excited Fran.

Now Stewart has always loved a good blow-job so as he walked into the kitchen, I looked straight into Fran's eyes and said, "You could always have a go on Stewart."

"Do you think he'd mind?" Fran asked, her eyes lighting up at the prospect of a little premarital practise. I hopped up off the settee and stuck my head around the kitchen door and could hardly believe what I was doing as I asked Stewart to join us.

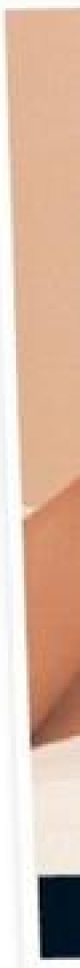
I stood behind him and whispered my plan into his ear as I unbuckled his leather belt and unbuttoned his jeans. Unsurprisingly, I met no resistance from him so I pulled them down over his hips and down to his ankles, then repeated the process with his boxer shorts. His rapidly stiffening cock bobbed in front of Fran's face and she bent forward and kissed it on the tip before licking her lips slowly. Stewart sat on the arm of the settee with Fran knelt between his legs as she began to kiss and caress his ever hardening shaft. I sat opposite and surveyed the scene, beginning to feel incredibly horny watching one of my best mates playing with my boyfriend's manhood.

As Stewart's member reached almost full stiffness Fran pushed his foreskin back using her thumb and forefinger exposing Stewart's huge purple, shiny helmet. Fran bent over him and licked all around his bell-end, tickling him with the tip of her tongue. Stewart closed his eyes and savoured the moment.

"You need to get it as far back into your throat as possible," I coached from the arm of my chair. Fran looked at me briefly and closed her lips over Stewart's bell-end sucking slowly and gently as she started to bob up and down. Each time she slid down his shaft she managed to take a little bit more and slowly but surely Stewart's rigid and veiny pole disappeared between her moist, pink lips. She must have managed to push it into her throat and before long she had gobbled his entire six-inches into her virgin mouth.

With nobody paying me any attention I slowly slipped my hand inside my pants and gently began rubbing my swollen clitoris in time to the bobbing of Fran's head. She was now sliding her lips confidently up and down Stewart's entire length from the tip to the very root. She salivated as she hungrily gobbled his cock and saliva ran down his shaft, coating his balls in her shiny juices. Stewart began to move his hips up to meet her encouraging her to eat him more quickly and deeply. She was catching on and now having cupped his balls in her hand she started to squeeze them rhythmically. Stewart was groaning more loudly and watching Fran's head bobbing in his lap, her lipstick smeared all over his shaft. He ran his fingers through her long, dark brown hair pushing down on her head, dictating her rhythm and the depth of his cock in her mouth. The deeper the better he liked it, as I knew from much previous experience.

Stewart's moans grew louder still and I am sure Fran would have been able to feel his rock hard pole continue to swell and throb as I had so many times in the past. I could imagine and almost taste the salty pre-come dripping from his helmet



URBAN BUNGLE

"AN EPIC NIGHTMARE" THE DESCENT MEETS CREEP
URBAN EXPLORERS
ONE WAY IN
NO WAY OUT
18

Urban exploration's quite the thing these days, with gangs of chums rooting round the city at night, but quite a few of them are bound to have second thoughts if they see this flick. OK, so there's always going to be a chance that you'll run into some sort of loony, but when you're doing the exploring through disused Nazi tunnels in Berlin there are plenty of ways to come unstuck, as our quartet of hapless heroes soon discover. A thoroughly effective chiller, we've got 3 copies to give away. Just tell us who sang 'I'm the Urban Spaceman' and send your answers to MO's Urban Comp at the usual address, or email menonly@paulraymond.com by April 6th 2012.

as he approached his climax. I continued to rub my own clit with my finger as I watched Fran, my pussy now as wet as hers had been earlier. Still she continued to gorge herself on his dick, sucking and slurping with every breath like a woman possessed, her hand gripped loosely around his shaft, squeezing him gently as she sucked.

Groaning and moaning I knew Stewart was having a ball, he started to buck his hips even faster and rested his hands on the back of Fran's head. He almost shouted out loud as every muscle in his body tensed and he fired his hot spunk into Fran's hungry virgin mouth. I saw her swallow straight away drinking his seed as she fixed her eyes on his. She gripped the root of his cock and wanked him off as he continued to spurt his hot jism between her lips. Stewart collapsed in a heap on the settee with lipstick and saliva glistening on his rigid cock.

BOBBING ALONG...

"She gripped the root of his cock and wanked him off as he continued to spurt his hot jism between her lips."

Fran looked at him slumped on the settee then looked over at me. A bead of creamy white spunk ran down her chin from the corner of her mouth and she wiped it with her finger and sucked it clean. She stood up immediately and walked into the kitchen. I retrieved my hand from inside my damp knickers and followed her in.

"So then, marks out of ten?" I asked.

Fran just looked at me cheekily, "Stewart? Definitely the best yet!" she said, a smile spreading across her face as she stepped towards me and planted a kiss onto my lips so I too could taste my boyfriend's spunk, the devious cow! I don't suppose her husband to be would be too happy to know about what she'd been up to, but there's no doubt hell benefit from the lessons she's learnt!

Katie, Peterborough.

Dear Michelle,

I am writing in response to your reader who wrote in in praise of Kyla Cole in issue 77.01. Well I also love Kyla, and have done so for years – in fact I've written to you a few times praising her beauty and requesting to see more of her in you magazine.

Anyway, your letter to Andy in 77.01 said that she was nearing retirement age, so I've thought of a brilliant idea – to celebrate Kyla's glittering career why not dedicate an entire issue of *Men Only*, from cover to cover, to Kyla, with loads of fantastic sets featuring this beauty taken from throughout her career. What do you think?!

John, County Durham.

Michelle says: Hmm, a whole issue devoted entirely to Kyla? I like the idea, I have to say – but what about all the people out there who aren't quite so devoted to her as you are, John? But there's no need to panic just yet – she's promised us a few more photoshoots before she's done, so we haven't quite seen the last of Kyla yet!

P.T.O for more...

Of course we get to witness all sorts of raunchy naughtiness here at *Men Only*, but there was something about watching Martha peeling off her fishnet outfit and playing with herself that really brought a lump to our throats – and Y-fronts. Yes, she's a fantastic looking girl with a wonderful body and the sort of dirty mind that's bound to get a red-blooded chap feeling a bit hot under the collar, but the way she worked the room really was something else. I was starting to think she might have been using some sort of secret pheromone spray or something, but then she fessed up…

"I dedicate a lot of time and energy to turning men on," she said. "Occasionally I do a little routine in a club, and the hornier I make the guys, the more money I make – simple!"

We can only assume she's a very wealthy girl indeed.

Real life adventures!

Come on – what are you waiting for?!

Tina's craving a bit of inter-generational legover!

My boyfriend is really great, but lately I have found myself fancying his dad. I know it's odd to fancy someone who is old enough to be my own father, but Daniel's dad is nothing at all like mine. Daniel's dad has all his own hair and teeth, and is so handsome and attractive that I just couldn't help myself. Initially I felt a little guilty, but last week I took fancying him to a whole new level, and actually had it off with him.

Besides, it was Daniel's own fault, for not telling me that he was going to bunk off with a friend for the weekend, and not giving me time to arrange something else to do for the time he was away.

Daniel's parents are divorced, and he still lives at home with his father, who, unlike my parents, is pretty unrestrictive, so we hang at Dan's place on weekends. As Daniel only called my mobile after I had already set out for his house, I was furious, and told him that I was going to his place anyway – to pick up any of my stuff that I had left at his place, and that we would talk about our "relationship" come Monday.

I was in a sulk by the time I got to Dan's, but when his dad Jake opened the door for me, a new plan for the weekend formed. As always Jake welcomed me warmly, and apologising for his son, asked me if I would like to join him for a drink.

Things were going just as I wanted, and I accepted the drink, giving him my brightest smile. As he poured out my wine I sighed and pretended to be deeply hurt by Dan's selfishness, telling Jake that now I had nothing to do all weekend as my girlfriends were all seeing someone. Jake looked concerned and came to sit by me, putting his arm around me and insisting that I stay for the weekend as usual… and promising to try to entertain me.

The first thing he did was to order a Chinese and pour me more wine. It was fun seducing Jake, as he has some very old fashioned scruples, but by the time we were on our second bottle of wine and I had drawn his attention to my thighs and tits a few times he was more than up for it.

I had never been with anyone but Dan before,

"Seeing Jake's hard muscular chest made my pussy damp…"

and he's just 18, so seeing Jake's hard muscular chest, fit abs and powerful arms made my eyes blink and my pussy damp, but when he slid out of his boxers I almost fainted with lust. His cock was so thick, hard and erect that I involuntarily licked my lips, and his hips and thighs so well muscled that my pussy began to contract just at the thought of his thrusting power. The allure of the older man was all too obvious now and I allowed him to strip me slowly, feeling almost like a virgin again as he confidently removed my clothing, caressing my skin as he dropped each item to the carpet.

Then he picked me up, and, kissing me deeply, carried me upstairs to his bed. It was a big bed and I felt small and innocent lying there as he climbed on top of me. His powerful arms looked like pillars as he held himself over me and my pussy juice dripped in anticipation as his powerful thighs pushed my legs wider apart. As his hard knob pressed against my pussy lips, my body quivered in expectation, and I was not disappointed when he thrust his powerful tool inside me!

It slid between my soaking wet labia easily, and my clitoris throbbed from the friction his massive member created as he sawed his rigid shaft in and out. My back arched and my arse-cheeks tightened as my pussy contracted around his thick cock, and my fingers raked his back as he began thrusting in and out of me.

He fucked me for long periods of time, making me thrust my hot pussy up to meet his plunging shaft. I had never felt such glorious pleasure and soon I had wrapped my legs around his waist to keep him tight inside me as I urged him on and on. My head was thrown back and I squealed with pleasure, coming again and again as he did me. Jake allowed me to come a few times before gently easing out of me. Rolling off, he held me in his arms, stroking my tits gently and kissing me before asking me if I would like to try some gentle anal sex.

I was a little unsure as I was so very inexperienced, but I thought that it might be fun, and who better to experiment with than someone as experienced as Jake. He started by licking my pussy and getting me very excited. I loved the feel of his tongue against my pussy and when he concentrated on my clit I grew so frantic that I came again. Jake scooped up my pussy juice and began working it into my ring, gently lubricating it and then pushing his finger in and out until I was sufficiently relaxed to take his cock.

He positioned me on all fours and licked and kissed my anal opening before gently easing his cockhead against my sphincter. Slowly he teased his cock inside me, all the while lightly playing with my tits. As I relaxed more he began shoving his mature manhood in my back passage with increasing force, riding me towards an incredible climax.

Then I felt him slow his pace, and he grasped my hips, pausing for a second as he came deep inside me, making me come with him. It was the best sex I have ever had and now I have to work out a way of keeping Dan happy while I screw around with his dad.

"My clitoris throbbed from the friction his massive member created…"

British newbie Samantha's giving us a bit of old school cheesecake with this set, and we have to say she looks rather striking in that red lippy/PVC combo. And look, she's even gone properly retro downstairs as well, giving us an eyeful of her nice furry fanny to round the set off!

"Well, I thought I might as well go the whole hog!" she told us when we commended her on her thatch. "After all, it's not every day you make your *Men Only* debut, and I though your readers might just fancy a slice of fur pie!"

Hmm, not just the readers – us blurb-writers like it as well, and just looking it has got me coming over all peckish. So, erm, any chance of a slice, then…?

"Tuck in! All this rolling around in the nude has got me horny!"

Ooh, now this girl we could get used to!

Tess

OK, so that dress she's wearing (for a bit) might not actually feature 'go faster' stripes, but from what we could make out during this shoot, Tess is a pretty fast worker nonetheless. She was out of her togs and fingering that flange of hers in about five minutes flat, but what's the hurry, we wanted to know... "I've been told I can take this car out for a bit of a spin once the shoot's over!" she said, adding that she's always had a bit of a thing for sporty models.

Well we've got a bit of a thing for sporty models as well, although we're not so bothered about cars. It's all very well knowing what's under the bonnet, but if there's a nude bird with her thighs splayed on top of the bonnet, that's quite good enough for us!

Sadly this shoot was over all too quickly, and Tess was hooning off down the road, pausing only to chuck her damp knickers at us as she went. What a girl!

Interview

Kristina Rose

Kristina Rose is a petite porn actress hailing from San Diego who made her first film in 2007 and has cranked out a remarkable amount of hot sex scenes since then. She is also a flaming real-life exhibitionist who can be found walking around in micro-mini skirts with her panties in her purse. This all-natural cutie originally worked as a photographer's assistant, and put off going in front of the lens for a while until she thought things through. Now she has absolutely no issue getting naked for the camera. Kristina doesn't always need hot porn actors around her to achieve all her pleasurable moments. An avid masturbator, she often does quite well all by herself…

What made you decide to do adult?
I love to get naked! Porn just seemed like a fun thing to do for a living. The money, of course, sounded great. At first, I decided it would be fun to shoot girl/girl since I'm bisexual. But people told me there is not much money to be made in softcore… so I figured hardcore is better! I really want to be a famous porn star and not just some anonymous girl who acts in videos.

What makes you a good porn actress?
I'm a really sexual person in general. I started masturbating when I was really young. I fooled around with girls throughout my teens. But I didn't have actual intercourse until I was eighteen.

How was it?
A little strange to touch that hard skin flute for the first time, but exciting all the same. But I didn't get off until I had my clit licked. For a long time, I needed clitoral stimulation to come. These days, I usually prefer penetration but, really; anything makes me happy!

Who is the current lucky guy in your life?
Oh, no boyfriend for me. I do have a gigantic blue dildo beside my bed, though. It must be at least 12 inches. That's my current "boyfriend". My ex broke up with me because he couldn't handle the fact that I was going to do porn, and that I wouldn't be sucking only his dick. He said he knew there were going to be a lot of other guys that were way bigger than him. He was too in love with me. He went to my parents and told them that I was doing porn. My dad threatened to disown me, but I don't really care. They'll get over it.

What type of niche do you see yourself in?
Well, I get booked for all kinds of roles. Mostly young-girl stuff, since I have such teen titties. The producers put me in anything; they seem to like that they can make me look Asian or Hispanic, or whatever they need, with different make-up.

What kind of guys are you into?
Beach bums, like surfers and swimmers… I like tattoos and good suntans. Nothing too posey, though; I don't fancy pretty boys. And lots of muscles are always nice.

Being from San Diego, I'm guessing you spend a lot of time on the beach?
Yeah… I was a student before I entered porn, and I would always ditch class and hang out on the beach all day, just chatting up new people and making friends. I still do, now that I live in Los Angeles. That's where the cutest guys are.

What kind of girls do you like?
I'm extremely picky about girls. I like lipstick lesbians with long hair; brown or reddish is best. They have to be clean and skinny, with nice natural boobs like mine and I don't want their vagina pubes out-of-whack and shaved and waxed to death. I prefer a natural bush. To be honest, sometimes I think I like girls more than guys, but I don't think I would ever marry a

WorldMate.net

girl. I'd rather have a husband and just have a girlfriend on the side. Most guys, I think, would be cool with that.

Do you enjoy giving blow-jobs?
I haven't sucked as many dicks as I would like to. But people tell me I do it very well. If you think about it, you can suck somebody's dick anywhere. I've done it in movie theatres or in a car while the guy is driving. I love doing that, actually. Probably because when I'm riding in a car, I like to look out the window at other cars and I assume that other people are doing it. The thought of giving a guy road-head while we pass other cars really turns me on. Knowing that they might catch a glimpse, and wonder if they really saw what they think they saw!

Wow, you are really into exhibitionism.
Ha-ha. Totally.

Do you swallow?
Yup, as long as it tastes good.

What can a guy do if his girlfriend doesn't want to swallow?
Well, he should always steer clear of asparagus and onions during dinner. They have a devastating effect on the taste of his come. Maybe try eating healthy, natural sweet things, like fruit? And if that doesn't help, simply threaten to leave her, ha-ha!

What else do you love to do sexually?
I love fucking doggy-style. It's the easiest for both people to be pleased. I can thrust back, and he can thrust forward.

Do you ever have an orgasm during your scenes?
Are you kidding? In the scene I shot today, I came, like, four times! First of all I came while sucking his cock! Then he went down on me and I came, and then he fucked me doggy-style and, naturally, I came. *[I make that three times – Ed.]*

Ever had a threesome before you entered porn?
I tried a threesome once with my girlfriend from high school, but we didn't do it right at all! When he was fucking me, she was just sitting there naked, smoking a cigarette and watching TV. Then when it was time for her to get fucked, she didn't want me to touch her.

Oh dear! So do you prefer your girls one-on-one?
It really depends. I can tell you I enjoy being with girls that I'm already friends with. Random girls are a different experience, they become almost like props. It's much more natural for me to do it with guys. I can be instantly attracted to a guy, even if I don't know him.

Do you think girls who do porn are different from those who don't?
I would say porn girls are more ballsy. Every girl does what we do, in some form; we just aren't afraid to be judged. Even if a girl doesn't look the greatest; if she enjoys doing porn, then that's what she should do. I know there are many girls who look better than me, and I'm still happy in this world. A woman shouldn't be afraid to be labelled. It's only sex. Everybody does it.

And some people just like to be watched while they're doing it!
Yes! I feel it in my whole body when I see somebody watching me fuck. I don't know what causes it. It's especially intense when the person watching is somebody random. Like if I'm getting fucked next to a window and normal people are walking by; to me, that's much more intense than if a cameraman was watching me do it.

Sasha

Photos: **Steve Dutton**

Well if it isn't one of our all time fave UK babes Sasha, doing what she does best so well – putting her fantastic bod on show and teasing us with that delectable pink pussy of hers. But what else does she like doing when she's not giving us the raging horn, we wondered…?

"Oh, all sorts! The usual things, of course – partying, drinking, going out with my friends, meeting guys and girls and, well, you know!"

We kind of get the picture – so is there anyone special in her life at the moment, or is she a free agent?

"There's one guy I think I could probably get used to. He's got a lovely fat prick and he loves licking my pussy. More or less the perfect man, in other words!"

Hmm, a fat prick and Sasha's pussy on the menu – some guys have all the luck!

Web Rat

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

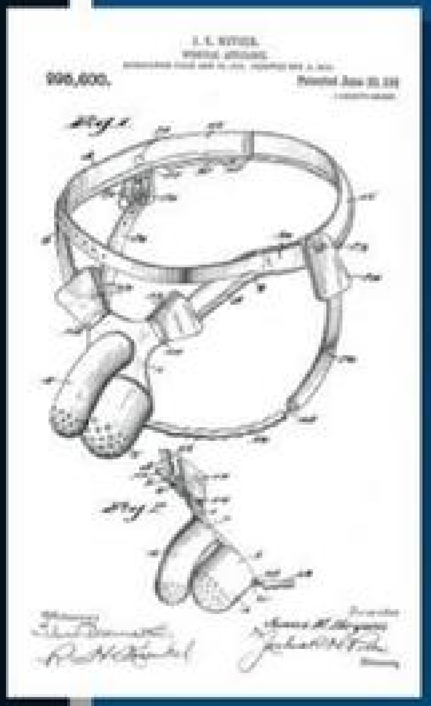
WHAT STOPPED US FROM WORKING THIS MONTH...

Garfield Minus Garfield
http://garfieldminusgarfield.net/couples.html

Garfield Minus Garfield is a site billing itself as being dedicated to removing Garfield from the Garfield comic strips in order to reveal the existential angst of Jon Arbuckle. As such, it is a journey deep into the mind of an isolated young everyman as he fights a losing battle against loneliness and depression.

Be prepared to find the strips so pointless you become annoyed. Even more so when you learn that the webmaster has a book of this toss out, available on Amazon.

Nutty Notions
http://www.crazypatents.com



A fascinating and instructive domain highlighting examples of many of the extremely offbeat patents issued to inventors throughout the past hundred-and-however-many years. Owned and operated by Neustel Law Offices, Ltd, the site showcases examples of brilliantly mad, sadistic, pointless, and often totally unnecessary "innovations" in the realms of death and morbidity, public safety, lavvies, crime prevention, and marital aids. Though not to laugh at, they stress.

Especially interesting (to me, at any rate, having lost my tackle in a freak accident involving two debt collectors and a mincer) was a wooden strap-on knob with perforated ball-sac attachment and Heath Robinson belt, patented as long ago as 1910.

Yoga For Cats My Arse
http://www.yogakitty.com

Watch streaming videos and learn how cats and their human partners can attain a state of higher consciousness using Yoga. No honestly. Yoga videos for you and your cat. And all you have to do is send the webmasters money.

"Our goal," they claim, "is to present a practical, step by step guide for humans and their cats to activate their fullest potential, allowing man, woman, and feline to dwell in the ecstasy of physical, mental, and spiritual health... regardless of social status, income, religion, age, sex, or species."

The Amish Blog
http://www.lancasterpa.com/amishblog/

The Amish Blog provides information and updates on the 200-years-behind-the-times community of Amish folks resident in Lancaster County, Pennsylvania. Which is odd, since the Amish don't have cars or radios, far less balsa wood laptops.

This said, if any of the Amish were allowed to read the blog, or look at the Internet, or upon their wives without two dozen frocks on, they would be grimly delighted (though not proud – pride being sinful) by the content, since the site glorifies their way of life and keeps you abreast of Lancaster County Amish news – such as whose barn has burned down and how many days it has taken for the community to raise another.

By a strange coincidence, I happened to be on location in Lancaster on the set of the movie *Witness* starring Harrison Ford one day in 1984 when they were shooting (for once this is true), and I well remember Harrison turning round in his Amish hat and dungarees and saying to me or someone else, or maybe I imagined this part, "Wow: we could learn from these people – they really have found a way to live a fulfilling life without any modern trappings like cassette-players and digital watches. Count me in." Imagine my surprise, then, when I recently clocked an online photo of him glued to an iPhone... though he was probably only checking the Amish Blog in case his name came up.

Bee Dogs
http://www.beedogs.com/

If you've been wasting hours every evening for the past few years, increasingly drinking more than is good for you and ignoring your family while you trawl the net in fanatical but gradually fading hopes of finding a site which has nothing on it but scores of dogs dressed up as bumble bees, then you can finally relax and start to repair your life through the 12-step program and marital counselling. We've found one for you.

Explains Beedogs web mistress and gentle weirdo Gina Zycher: "Beedogs.com is the premier online repository for pictures of dogs in bee costumes."

Taking a tough line on the site, I have to say that most of the dogs pictured in their bee costumes are not very convincing... though a couple of the little terriers in yellow and black robbers' jerseys look like they could do a fair bit of damage and raise a few welts without sting apparatus.

"It all started with an online photo of little shih tzu [dressed as a bee] named Aster," says Gina in her "About" (or shout it be "WTF"?) section. "I stumbled upon this picture after doing a Google image search... Amazing!

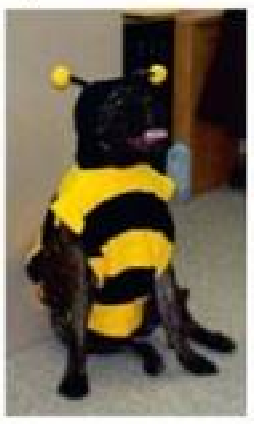
"I began to find more and more pictures of beedogs on the web, much to my delight! After a while, I took to saving the pictures I found. And now, dear reader, I share the beedogs with you.

"Beedogs.com was conceived and created by me in August 2005," she adds proudly.

We can only assume she had a lot of spare time on her hands that month.

Gina gives us her email address but requests only positive feedback, since any criticism whatsoever is certain to result in tears.

"I will cry," she states baldly, not that she is. Actually she might be for all the visitor knows since the only images on display anywhere on her sites are canines in honey-crazed insect gear.



STAR WHORES

The porno-verse has long been a-tremble with anticipation at the release of the Axel Braun-directed Star Wars XXX porno parody, and here at Men Only we've managed to sneak a few preview pix from the flick itself. We should be able to give you a full review next month, but for now, here are a few tasters of what sci-fi loving pornaholics have got in store…

Nice clump, shame about the face.

Time for a bit of Wookie!

"Hey, you said this was a Solo scene!"

Without wanting to sound too crude, Priya here looks like she'd be good fun in the sack, doesn't she?! With her fantastically fulsome boobs, wondrously curvy arse and the sort of face that any man would dream of finding on the pillow beside him (not to mention the kind of lips he'd dream of finding wrapped around his chap stick). Off the top of my head I could probably think of a couple of dozen Indian dishes I'd love to get stuck into this evening, but not one of them comes close to the delicious and super spicy Priya!

GRACE AND FAVOUR

I'm a really horny guy – I just can't seem to get enough sex. I'm always on the hunt for some new pussy, and even though I've got all the chat up lines and techniques down pat – practice makes perfect after all – I find that I do better with the slightly older ladies. This is fine by me, as not only are they more experienced, but they are often up for more and are less uptight, so they're much more fun when you get them in bed!

I had a great experience last week that I think might interest you. I was out at a club – you know, a standard 'grab a granny' night – although I've always thought that was a bit rude, as the late thirties/early forties women that I prefer, are hardly grannies! Anyway, I got talking to a woman named Grace, who was in her early-forties. She was nicely dressed and had a good figure for her age, although I reckoned she'd had a couple of kids. She was just what I was looking for, though, and we were getting on really well, so I suggested that maybe we go back to mine for some fun. I was surprised when she refused, but even more so when she explained why! She was married, she told me, but it wasn't a problem as her husband liked to watch her get fucked by strangers. And guess what? She wanted me to go back to her place and fuck her – and her husband would be watching!

> "She bent over, plunging her mouth over my helmet and sucking me in deep."

I'd heard about this kind of thing; I've even got in touch with a few birds through contact mags in the past, and seen people looking for exactly this, but it was never something I'd ever considered. I was a bit freaked out, but decided it made her even more of a dirty slut, and said I'd give it a go. What the hell, I thought to myself, pussy is pussy, after all!

We left and walked to her car; as she was driving I assumed that she'd gone to the club with the sole purpose of picking up a bloke, to provide her with an evening of entertainment. On the way to her place, Grace surprised me further by pulling over in a lay-by and telling me to get my cock out. I did as I was told and she bent over, plunging her mouth over my helmet and

sucking me in deep. She explained, between licks, that she was going to suck me off here so that I'd last longer when she got me home. She gave good head too – she'd obviously practiced to get her technique perfected. Soon I felt myself about to come and so warned her, but it was only when she sped up her sucking that I realised she meant to take my load in her mouth. And when I did come, she swallowed the lot, even licking my helmet clean for me.

When we arrived at her house, I barely had time to exchange nods with her husband before Grace told me to ignore him. "You're here for me, not him!" she scolded. I wondered to myself if that was really true. If he got off on watching his wife get fucked raw by another man, surely I was here for him as much I was for her. That thought sent a shiver down my spine, however, and I resolved to ignore him like Grace had said.

> "As soon as I felt her legs shaking I knew my tongue was doing the trick."

She dragged me up to the bedroom and told me to undress, as she did the same. By the time we were both naked, my cock was standing to attention again. She looked at me and smiled, "Well, I've tasted you – don't you think it's time you tasted me?"

I didn't need a second invitation! I was on her twat in a second, licking and exploring every inch with my tongue. I love the taste of pussy, and I reckon I'm pretty good at oral. I certainly didn't get any complaint from Grace, anyway, and as soon as I felt her legs shaking, I knew my tongue was doing the trick. I introduced her cunt to my fingers as well, slipping three of them into her slick hole. That sent her over the edge, and as I sawed them in and out of her wetness while licking her clit, her groaning became more urgent and she came, flooding my mouth with her sweet juices.

She turned over onto all fours and said that now it was time for me to fuck her. She obviously wanted it doggy, and I wasn't going to argue. I shoved my cock into her, right up to the hilt in one thrust, before I began fucking away at her. I slowed to a steady pace, allowing Grace to control how fast and how hard I fucked her. Soon I was pounding away – she'd been right to empty my balls on the way here, as I was lasting ages! In fact, we'd been going so long I was beginning to tire a little. Grace seemed to have plenty of energy, though, and made me lay on my back so she could straddle me.

She lowered her fanny down onto my cock, and bounced up and down on it, her arse cheeks slapping against my thighs as I relished being screwed by this older lady. Now she was on top, I could see her husband on the landing through the open door, wanking himself stupid at the sight of his wife bouncing on my dick. I was just relieved that he didn't want to join in. I ignored him and focussed on the sexy bird that was riding me.

Grace took full advantage of my cock, climaxing again before I was ready to come myself. When I was almost there, she lifted herself off and wanked me off until I shot my second load of the evening all over her pubes!

> "She lowered her fanny down onto my cock and bounced up and down on it."

After we'd cleaned up, her husband called me a cab. It felt a bit weird, emerging from the bedroom to be offered a cuppa from the bloke whose wife you've just fucked! They seemed quite comfortable, though, and Grace invited me back another time and gave me their number. As I was leaving, the last thing I saw was her husband kneeling between her legs ready to lick her spunk-covered twat!

It's strange, but I think I will go back – Grace was a great fuck, and the husband thing doesn't bother me half as much now I know the score.

Lewis, Fife.

HOTEL PARADISE...OH!

I must tell you and your readers of an incident that happened to me a few months ago whilst on a short business trip to Philadelphia. Upon arrival, my company agents met me at the airport and put me up in a rather nice hotel on the outskirts of the city, which was perfectly adequate. It was late in the afternoon by the time we arrived at the hotel, so after a quick shower I decided to go down to the bar for a few drinks before dinner. The hotel bar was quite full, mainly with guys, most of whom appeared to be local. In fact there was only one female worth looking at, and that was the barmaid. I'd guess that she was in her early thirties. She had short blonde stylish hair, blue eyes, a nice trim figure with a lovely round shapely bum, which was only too obvious in her tight fitting black trousers. She was very popular with the locals.

I had about four beers altogether, taking every opportunity I had to admire her cute round arse. When she finally brought me my tab I noticed that she had only charged me for two beers. I pointed this out to her, but she looked at me intently and told me that she never made mistakes, then just before she picked up the tab she gave me a wide smile and winked at me.

When I went into the restaurant for dinner, I couldn't stop thinking about the barmaid and that suggestive wink. After I'd eaten, I went back to the bar but was disappointed to find that the barmaids had changed, and the woman now serving behind the bar was an overweight, older lady. I bought a beer anyway, and just when I was about to leave, I noticed the barmaid that had been serving earlier was sat at a table alone, at the far end of the room. I approached her and asked if I could return the favour and buy her a few beers. She agreed, but said she didn't want to be seen with me in the hotel where she worked, so we quickly left and Courtney drove us to a small town nearby.

> "Slowly more and more of my shaft sank into her luscious wet mouth."

We went to several small bars over the next few hours, chatting away and playing pool, before she drove me back to the hotel.

Towards the end of the evening, Courtney's mood seemed to change, but I couldn't fathom why until we got back to the hotel. We were sat in the car, in the car park at the rear of the hotel when Courtney told me that I offended her because not once during the evening had I tried to kiss her. I told her that I didn't want to seem presumptuous, and tried to explain that Englishmen were probably a little more reserved than her fellow Americans. She didn't seem convinced, so assured her that I found her very attractive and

that I very much wanted to kiss her. I then asked if she wanted to go up to my room. She said that she did, we got out of the car and sneaked up the back steps and into my room.

As soon as I closed the door, Courtney took off her jacket and work waistcoat, rolled up the sleeves of her white blouse, then stood there with her hands on her hips and said, "Right, now I'm going to teach you a lesson for ignoring me all night. I'm going to tease you so much until you are pining for me, you son-of-a-bitch". This all sounded fine to me!

> "Her firm tits bounced out and looked every bit as good as I'd imagined."

Courtney told me to lay on the bed fully clothed. She then knelt on the bed with her legs astride of mine as she slowly unbuttoned her blouse and flung it onto the floor. I could tell that she had nice firm tits, and more then a handful, but unfortunately she kept them concealed in her bra. She unbuttoned my shirt before slowly bending down to kiss me lightly on the mouth, before moving her kisses to my neck and ear lobes, down onto my shoulders, and gradually working her way down my chest and stomach, covering me with light brushing kisses. I tried to reach for her tits, but she pushed me away, tutting. She then leant back and unclipped her bra. Her firm tits bounced out and looked every bit as good as I had imagined. I couldn't wait to suck on her bullet-nipples. Next, she unzipped her tight black trousers and slowly eased herself out of them, leaving just her pretty white panties on. She looked at the large lump in my trousers, my pulsating cock straining to be released. She smiled wickedly, then bent forward and began kissing me lightly as before, starting with my mouth and neck then slowly working her way down my body, but this time her bare tits occasionally brushing against my skin. When she got down to my stomach, she gently rubbed the hard lump in my trousers with her hand, toying with my zip, enjoying my reaction

"Are you pining for me yet?" she asked. I told her that I was, in fact that I was desperate for her. She continued rubbing my cock through my trousers for a while then finally she began to unzip me. My cock sprang out, throbbing uncontrollably. She removed my trousers and underpants completely, then began to kiss me lightly as before. She eventually mouthed her way down to my pubes and worked her way down the inside of my thighs, then back up to my groin. She licked and gently fondled my balls before probing her tongue deeper and deeper downwards to my arsehole, licking my anus and occasionally flicking the tip of her tongue inside. No woman had ever done this to me before and I must admit the sensation was quite delicious. When she finally surfaced, she ran her tongue back up to the base of my cock. Licking up and down my shaft, exploring every contour, she then started on my swollen helmet, flicking her tongue right around the rim and occasionally putting the end of my cock between her moist lips. Slowly, more and more of my shaft sank into her luscious wet mouth, and she began to suck.

I was so turned-on by now, that I was sure that I'd explode into her mouth if she didn't stop soon. I think Courtney must have realised this, and probably tasted some of my pre-come, because she stopped sucking my cock. She said nothing, her eyes transfixed on my throbbing tool, as if in a trance, and I sensed that her own earlier self-restraint was now beginning to weaken. Rather abruptly, she thrust her hand down her flimsy knickers, giving me a quick glimpse of her fair pubic bush for the first time, and she began to rub her slit.

A sense of urgency had now obviously taken over from her earlier self control, and she knelt up, quickly removed her pants and tossing them hastily aside, before moving herself up my body, her pink slit glistening between her pubes. She straddled my hips and slowly lowered herself on to me. The head of my cock parted her pink lips and gradually sank into her wet cunt hole, until eventually her buttocks sat on my thighs, my cock completely buried. Courtney let out a soft moan, and then began to ride my cock in a steady rhythm. She soon began to pant as she approached an orgasm, which was just as well, because I knew that I couldn't last much longer, after such a long, teasing build-up. I felt the familiar twitch of my cock, followed by an eruption of spunk as I shot several spurts of my hot juice right up her cunt. Courtney groaned and grunted, and her whole body shuddered as her own orgasm hit her. When she had finished climaxing, she collapsed on top of me, my cock still inside her and our sticky juices slowly seeping out of her cunt, down into our pubes. She whispered into my ear, "I needed that", then slowly climbed off me and began to gather her belongings. She didn't hang around and once she was dressed she left.

> "The head of my cock parted her pink lips and gradually sank into her wet cunt hole."

It wasn't until the following morning that I realised that Courtney had forgotten her waistcoat. It was quite early and I had only just gotten out of bed, when there was a knock on the door. I was hoping she'd be able to stay for round two, but she had to get to work. I made sure I was hanging around the bar that night, though, so when her shift finished, we decided to grab a couple of bottles of fizz and go to my room. All I'll say is that for the three nights I stayed at that hotel, Courtney made my stay more than memorable!

Oliver, Basildon.

GAME OF THRONES
THE COMPLETE FIRST SEASON

If you've got Sky Atlantic – and if you've got any sense – then you probably watched this when it aired last year, but if it passed you by, or if forking out for subscription channels is fairly low down on your list of priorities, then here's the box-set of the complete first season of *Game of Thrones*, one of the most dazzling programmes of recent years.

It's a Tolkien-esque fantasy, set in what appears to be a fictionalised version of England (there's a great big wall at the North of the Kingdom to keep all the nasties and savages that live on the other side out), but while Tolkein peopled his tales with Elves, Wizards and Hobbits, pretty much all the protagonists here are resolutely (and all too) human. Sean Bean, in typical Sean Bean mode, stars as Lord Stark, friend to the King and head of the most important family in the North, but there are dark forces brewing in the kingdom, and from the outset you know the Starks are going to have their work cut out…

The casting is bang on, with a mixture of British actors like Charles Dance and Ian Glenn mixing it with a slew of American talent (most impressively Peter Dinklage as the charismatic Tyrion Lannister), and the script, production values and overall realisation of George R. R. Martin's fantasy world are all exemplary. And there's plenty of nookie as well; boobs, swords, sorcery and grime – surely enough to keep most blokes entertained for hours. There's a second series on the way, so what are you waiting for?

Hmm, this film kicks off with a young American backpacker going missing while travelling around Europe, which is a bit of a familiar trope, frankly, after the *Hostel* flicks, *The Human Centipede* and the like. Frankly it's amazing that any of them have the nerve to head over to the old world at all for feat of being abducted and tortured by some sort of horrible conspiracy. Anyway, thankfully they do – otherwise who else would we have to kill?

So we've got a missing American (in Poland, as it happens), but actually after that this film develops rather differently to your typical abduction/torture porner, and before you know it you're being drawn into a very skillfully crafted supernatural horror. And without wishing to give the game away, things don't quite turn out as you might expect.

We've all seen plenty of haunted house style horrors, but then this one was written by Guillermo Del Toro, so it was always likely to a bit more of a classy affair.

Guy Pierce plays a property developer type who's doing up a rather creepy old place in New England (although it could just as easily be Old England) with his girlfriend Katie Holmes, but it seems his ex-wife is having a few issues and sends their young daughter Sally (Bailee Madison) to stay with them. Sally, though, quickly detects something amiss in the house – there are evil little critters running around that are happy to appear to her but dodge the grown-ups. It soon becomes clear what the little beggars are after, but can Sally convince the grown-ups that they ought to move out before it's too late? Some chance…

GAME OF THE MONTH

Commander Shepard is back for what looks likely to be the final instalment in the Mass Effect series – so this is your last chace for some whopping ME thrills. And if you've already got and played the first two releases, you can even import all the settings and back story into this one, meaning that for each player with an ME history this game will pan out slightly differently.

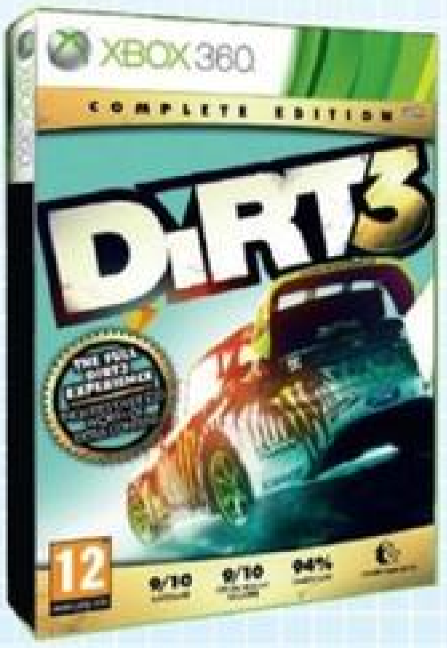
Things kick off on Earth, with Shepard in the doo-doo for previous misdemeanours, but then luckily for him – and you, of course – there's a sudden invasion of Reapers and the old game is back on again.

As ever Shepard can be played as either a man or a woman – you can even make him gay or lesbian if you fancy it – and the gameplay itself has, of course, been uptweaked again, with the combat modes offering more variety and nuanced options. There are single player, co-op and multiplayer options, and also three different modes of play, meaning you can really customize the game to make it just how you want it. Irresistible for anyone who's ever been sucked into the ME universe before…

DIRT 3 COMPLETE EDITION

THQ – PC, PS3, X360.

7/10



In case you didn't get hold of DiRT3 when it first hit the shelves last year, it looks like you could be rewarded for your tardiness, because now THQ have released the Complete Edition, which features plenty of additional features – not least of which is a dozen brand new routes to try your rally driving sim skills out on! Favourite in the office is the Monte Carlo pack, with some really stunningly realised stages available, although fans of classic motors will be chuffed to see the addition of the Ford Escort MkII in the Colin McRea charity Pack. Rally fans need look no further…

As most of us are probably aware, the planet's balanced on something of a knife-edge these days. Ice caps are melting and if we're not careful with our carbon footprints we're all going to end up in the drink; and this, ladies and gents, is a video game about trying to combat global warming! So no shooting aliens or crashing cars - just Civilization-style strategy as you try to keep as many humans alive in the future. OK, it might sound a bit dry, but it's strangely addictive, too…

CAST: Sofia Valentine, Syren Sexton, Cathy Heaven, Coco Charnelle, Rebecca More, Scarlett March.

EDITOR'S CHOICE

Got a soft spot for gimp masks, moody lighting, strobe effects and watching big cocks pronging game flampers in every available aperture? If so you're in luck, buddy, because here's another Tanya Hyde flick which ticks all your boxes in spades!

Good old Syren Sexton's first up, playing with her meaty flange and teasing her stud (and me) with her delectable labia and a big glass dildo until eventually he can stand no more and moves in for some action. She's soon noshing him off like the bad girl she is, before he prises open her fanny for a good tonguing (and a bit of a rimming as well). Then comes the actual shagging, with the pair working their way through a few positions before he drops his load over her mush.

Pasty, raven-haired Sofia takes on two cocks next, with loads of anal and plenty of tattoos for the fetish fans. It's a dirty scene, with the guys really going to town on her before they've done with her, spuffing over her face with aplomb and leaving me feeling rather drained and, well, not a little shamefaced.

Rebecca and Scarlett drive things onward in the next scene, kicking things off with the help of a gynae chair (always gets me feeling horny, they do!), a horse crop and massive pink vibe thing. Then they find a gimp-masked stud to lavish their attentions on, and Rebecca really goes to town, stretching her arsehole around his cock frantically until they're all sated.

Two more scenes of kinkery follow, with moody lighting, whips and plenty of anal, but sometimes this stuff gets a bit too tricksy… **3/5 Available at your local sex shop.**

BOUNCE!

Bluebird Films

CAST: Dylan Ryder, Paige Ashley, Shyla Stylez, Daphne Rosen, Jaylene Rio.

I don't know about you lot, but I've got a bit of a soft spot for films that feature birds with big knockers getting pronged. Call me old fashioned, but there's something about watching a big-titter taking a length that really floats my boat, so I was strangely intrigued when this DVD turned up the other week. Could I be bothered to devote a couple of hours of my life to sitting through of clutch of top-heavy flampers riding cocks? On balance, yes, I think I probably could.

Daphne Rosen is the first to do the honours, 'fessing up that she's got enormous boobs and that hey, she enjoys fucking! Sounds rather like my kind of girl, and she even gets a bit of bother off her charlies – the like to pop out when she's not expecting it!

Anyway, once the chat's out of the way she flops her boobs on her studs shaven bonce – something which he seems to enjoy no end. He's quickly feasting on her tits and her snatch, with some very nice sound effects as he laps away at her clit and fingers her snatch. Then it's out with the johnson and, well, she makes the most of it – again, hats off to the sound engineer, who really gets it all down; even a blind guy could whack off to this one…

Jaylene Rio is another top-heavy strumpet from across the pond, and as well as having massive charlies she's got a penchant for cock. She looks like she'd be a lot of fun to bang, and the woodsman who has the honour seems to enjoy himself almost as much as I think I would as she slurps away on and then rides his old man. She's hot a bit of old school fur on her nadger, too, which is always nice to see!

Last month's covergirl Shyla picks up the baton, before Dylan Ryder and Paige see us out, the latter taking on a couple of pricks, the filthy mare! **4/5**

BEVERLY HILLBILLIES XXX

Adam & Eve

CAST: Kagney Linn Karter, Haley Hewes, Dana DeArmond, Taylor Vixen, Annie Cruz, Kaylee Hilton, Aubrey Addams, Courtney Page.

Hmm, the *Beverley Hillbillies* is one of those shows we're aware of in the UK, but I suspect not many of us have actually watched a single episode. Still, the craze for porno parodies in the US is as strong as ever, and given the rather eye-pleasing cast list on this one, I don't really care if most of the gags go over my head – as long as I get to watch plenty of gorgeous babes having it off I'm generally pretty happy…

First thing to say (as you might have twigged from the stills) is that it's not in black and white – always a good thing as far as scruff is concerned. Sadly the same thing can't be said for banjo music, which seeps into this film at every possible opportunity, and tended to put me right off my stroke – as did the frequent bursts of canned laughter.

Anyway, it seems the Hillbillies are setting up their own casting agency (pretty sure that wasn't in the series), but after much fannying around we finally cut to the chase, with a couple of hick broads going to town on a rather unlikely looking tubby stud. There's no actual shagging, mind, but if you like BJ scenes in which the bloke's paunchy and possessed of a rather small knob, you're in luck!

Thankfully the sex picks up a fair bit after that, with plenty of couplings helping things along and distracting from the whole American-ness of the rest of it. And Kagney Linn Karter's always worth watching, frankly. Probably one for devotees only, though! **3/5**

The Snow Job

THE SNOW JOB

Film Erotica

CAST: Kirsty, Chloe Conrad, Megan Coxxx, Tiffany Doll, Cleo Summer.

With its quirky soundtrack as we follow Denis K around Paris, this one feels a bit like one of those glam TV series from yesteryear? Denis is trying to get her jewels back after they've been pinched, and she commissions Seb to do it for her – sealing the deal with a bunk-up in her hotel room. Then we follow Seb around until he hooks up with a brunette, taking her back to Denis for a threesome. Not really sure what any of this has got to do with the plot (shoehorning the knobbing into a plot-driven flick is always tricky), but then finally we find ourselves in Chamonix, on the trail of the jewels – or at least trailing Megan Coxxx and Steve Hooper as they do some window shopping. They finally get down to shagging, mind, and it's a good scene, but really, there's a lot of flim-flam here before we get to the closing orgy. Silly, really. **3/5 Available from your local sex shop.**

BOAT RIDES

Viv Thomas

CAST: Valentina Cruz, Alison Star, Daisy Lee, Queen Christin, Blue Angel, Debbie White, Angel Long, Eliska Cross.

When Ratty started wazzing about messing around on the river, I suspect this wasn't the sort of thing he had in mind. Still, Valentina Cruz (British, despite the name) knows exactly what she's after, getting Choky's cocky out and practically choking on it in double quick time. Fantastic sounds here as his prick saws into her gob, with the action soon switching to her shaven snatch before he spuffs all over it. Daisy from last month's *Men Only* crops up in a lesbo scene next, but things crank up a gear or three for the next, in which Queen Christin (umm, surely from a rather minor royal family) takes a really solid bumming from stud Zenza. Anal lovers will also want to look out for the final scene, in which top British bumee Angel Long shares David Perry's cock with Eliska in a way that can only really be described as intense. **4/5 Available from your local sex shop.**

Jessica

Photos: Jack Harrison

What's that? Wondering if we were starting to run short of curvy lovelies to put in this issue? Well let me put your mind at rest straight away – and if you don't believe me just check out Jessica's magnificent mammaries! I know we've seen some cracking chests so far this issue, but there's something about Jessica's frontage that's got me fantasizing about what it would be like to hold them in my hands and play with them…

"You want to hold them? Sure – I love guys playing with my boobs!" the girl herself offered when she suspected what was on my mind.

Well if she loves guys playing with them I was hardly going to let her down, was I? But were they as fun to play with as they look like they would be? What do you reckon?!

Cassia

Photos: Sage Style

During the shoot Cassia here claimed to have a bit of a hard spot for the great outdoors, so we asked her to explain…

"Well, I guess it's something to do with the fact that the very first time I had sex it was outside. My parents always kept a close watch on me at home, but by the time I'd turned 18 I was desperate for a fuck, so me and my boyfriend just headed off into a little wood near our college and got it together. Ever since then, I can hardly look at a tree without coming over all horny! Sometimes it gets a bit embarrassing, because I always end up wanting to play with myself!"

Well don't let us stop you – look at those trees and wank away, dear!

COMING NEXT MONTH

Cometh the hour, cometh the mams! That's right, we've got another cracking selection of boobage lined up for you next month, fronted by British newbie Brooke and her beauteous bangers! Just thinking about giving those nips of hers a little chew has already got me wishing the next four weeks away, but good things come to those that wait, so we'll all just have to hang one! Oh, and Sabrina was pretty near the front of the queue when they were handing out knockers too, so between them – and all the other lovelies we've got in the pipeline – we reckon you won't be going short next month!
